

ΜΑΣΤΙΧΑ

ΜΑΣΤΙΚΑ • THE SPIRIT OF GREECE

Named after the rare mastic resin of Chios — the heart of a cherished Greek liqueur — Mastika brings the flavors, warmth, and hospitality of the Greek islands to the sea. Fresh ingredients, vibrant dishes, and sea-side charm invite you to linger and savor life.

Good evening, Ladies and Gentlemen,

Welcome to ΜΑΣΤΙΧΑ

My name is **Marios Papadopoulos**, and I will be your guide this evening, together with our kitchen team, who have carefully prepared the experience ahead of you.

From homemade pita and traditional meze to fresh seafood, grilled specialties, and classic Greek desserts, we invite you to enjoy each course at your own pace and discover the flavors of Greece.

Thank you for joining us at ΜΑΣΤΙΧΑ
